RE: **Emerging Markets Survey 2000**
Number of pages: 3

Dear Sheridan Neimark

Following the success of *Managing Intellectual Property's* three previous Emerging Markets Surveys, the year 2000 edition will be the biggest yet, covering 30 countries. It is sponsored by Questel Orbit, the leading IP information provider. The results will be published in March next year, but before that we need your help.

On the attached forms, I would be grateful if you would nominate the three firms that you think provide the best service in each country you have experience of. The survey will be divided into two categories: (1) Patents, and (2) Copyright and Trade marks.

Where applicable, it would be helpful if you could indicate law firms with an (L), and patent/trade mark agencies with an (A). **Please fax your completed questionnaires to Emily Downes at +44 171 779 8934 by Friday 17th December.**

All replies will be treated in the strictest confidence. Once the results have been collated, *MIP*'s editorial team will contact the leading firms in each jurisdiction to compile a report on trends in IP practice. Everyone who replies will receive a complimentary copy of the magazine.

Your help in producing this popular and valuable survey is very much appreciated. If you have any questions, please do not hesitate to contact me. Thank you very much for your cooperation. I can be reached by **phone** (+44 171 779 8081), **fax** (+44 171 779 8934) or **e-mail** (edownes@euromoneyplc.com).

I look forward to hearing from you.

Yours sincerely,

Emily Downes, staff writer, *Managing Intellectual Property*
