and to the destruction of basic research.

It seems clear that the populist attack on the Bayh-Dole body of laws, regulations and executive orders uses as its primary tool the ~~[illegible]~~ suggestion that its beneficiaries are motivated by greed.

I ~~believe~~ think that this simplistic approach gains more traction than deserved, ~~especially in~~ [illegible]

~~identify~~

because ~~the foundation and~~ the history ~~and~~ vision ~~and~~ principles, background and intellectual discourse that produced Bayh-Dole is not well ~~documented~~ known.

I believe

If it were ~~the~~ a ~~noble~~ nobility of these efforts ~~[illegible]~~ would ~~motivate~~ produce ~~an~~ the same ~~the~~ ~~kind of~~ indignation ~~that these attacks deserve as was the case thirty thirty years ago.~~ that these attacks ~~they~~ received thirty years ago.
