TELEFAX CONTROL SHEET

SENT TO: Joe Allen

DATE SENT: 9/12/97

SUBJECT: Bill

No. of pages (including this cover sheet):

Sent by: Norm LATKER

Remarks:

Joe
In the language we agreed to on notice I was assuming that the invention was made outside a CRADA. We definitely do NOT want this language to apply to an invention made by a government employee as part of a CRADA, i.e a future invention Please check over what we did to make sure that we haven't sweeped into the Notice provision CRADA inventions already promised to the industry partner in a CRADA.

Norm

CONFIDENTIALITY NOTE

This confidential facsimile message is intended only for the individual entity named above, and may contain information that is privileged and exempt from disclosure under applicable law. If you, the reader of this message, are not the intended recipient, or the employee or agent responsible for delivering this message to the intended recipient, you are hereby notified that you should not copy this facsimile or distribute it to anyone other than the intended recipient. In addition, if you have received this telecopy in error, please immediately notify us by telephone or telefax and return the original message to us at the address above via the United States Postal Service. Finally, if it would not inconvenience you, we would appreciate it if you would first refax this message to the intended recipient. Thank you.
