DECLARATION UNDER 37 C.F.R. § 1.125

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

I, Eric K. Satermo, of Tai E International Patent & Law Office, 9th Floor, No. 112, Chang An East Road Section 2, Taipei, Taiwan, R.O.C., am the engineer responsible for writing the substitute specification which was submitted to the United States Patent and Trademark Office on December 19, 1991 in response to the Official Action of July 19, 1991 issued on the above-identified application.

I hereby declare that I understand the content of the originally-filed specification of the above-identified application and that of said substitute specification.

I hereby further declare that said substitute specification contains no new matter over that contained in said originally-filed specification.

I hereby still further declare that the changes made are the same as indicated in the hand-corrected interlineated originally-

filed specification which also accompanied said substitute specification.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent to which this verified statement is directed.

Signed on this 30th day of December, 1991.
