REPORT OF INVENTION

Title of Discovery

Inventors and Addresses

Facility at which discovery was made:

Financial Support

Patent Policy of the Facilities

Contribution of other organizations

Detailed Description of the Discovery

Objectives, Advantages and Uses of the Discovery

Disclosures to Others

Persons Present during development of the Experimental Data

State of the Art

C. D. Hendricks

Never heard of any invention of any kind being transferred from govt to Un or a Foundation

Called Prof. Halvorsen in Bacteriology ~~in many Comm~~ on governing committee of NIH ~~never heard of this~~ — never heard of this possibility

Other people there said they would never "carry any right of any kind"
