December 14, 2000

~~Proposed~~ New schedule of fees for Information Disclosure Statements

1. If IDS is filed with the application, i.e. the client initially sends us all the references including whatever we need to meet the regulations without having to write back to the client (e.g. explanations; or request for translation of abstract or claims, or foreign patent search report in which the non-English language documents are categorized), and there are no more than 10 references, our charge will be $120.00.

2. Same as above but with 11 or more citations, $150.00.

3. Same as (1) (1-10 references), but filed separately after application has been filed, but before first official action on the merits $150.00.

4. Same as (2) (11 or more references), but filed separately after application has been filed, but before first action on the merits $175.00.

5. Same as (1) or (3) (1-10 references , but we have to write back to client to get more information, or we need to order the citations ourselves $170.00.

6. Same as (2) or (4) (11 or more references), but we have to write back to client for more information or

have to order one or more of the citations ourselves $185.00.

7. All others to be determined by attorney in charge.
