United States Senate
Washington, D. C. 20510

Dear Senator Bayh:

Thank you for your letter of April 11, 1979 concerning the University and Small Business Patent Procedures Act for S. 414. We appreciate the changes which you made in the bill at our suggestion, and certainly want to consider the possibility of testifying before the Senate Judiciary Committee when hearings are held.

There seems to be a gremlin somewhere in the mail system between your office and mine because your latest letter failed to arrive here too, but the copy to my Associate, Mr. Davis, did arrive, so nothing was lost.

Very truly yours,

H. F. Manbeck Jr
