WISCONSIN ALUMNI RESEARCH FOUNDATION

INTER-OFFICE LETTER

TO Messrs. Abrams, Bremer, Woerpel

FROM Ruth **DATE** August 19, 1970

Re: Institutional Agreement

A written report is due DHEW under the above agreement on or before September 30, 1970, covering the period July 1, 1969 thru June 30, 1970. Such report shall include the development and commercial use that is being made or intended to be made on each invention. Also, you may recall that Professor Young suggested that we include the total expenses for invention development of each invention.

The following inventions fall within the above reporting period:

Sih - Process for Preparing L-dopa (thru microbiological means)

Perrin - Method for Increasing Drug Availability in Combination with Highly Protein Bound Salts

Richardson - Chillproofing Beer

add Fritch

INSTITUTIONAL AGREEMENT INVENTION RECORD

Invention No. _____
Code No. _____

Inventor(s): Name Address Tel. No.

_____

_____

_____

Title of Invention: _____
Date invention disclosed to WARF _____
Date Patent Agreement signed by inventor(s) _____
Date of written invention report _____
Date written invention report sent to Grantor _____
Decision re filing: U.S. _____ Foreign _____ Date Grantor notified of decision _____

U.S. Filing

Decision to file:

Copy of pat. app., including Ser. No. and filing date sent to Grantor _____
Copy of recorded assignment sent to Grantor _____
License granted to Government _____

Decision not to file:

Date of statutory bar _____
Deadline for notifying Grantor of decision (90 days prior to statutory bar) _____
Date Grantor notified of decision _____
Grantor's decision _____
If requested, date papers executed assigning rights to Grantor _____

Decision to abandon application:

Date amendment due _____
Deadline for notifying Grantor (45 days prior to date amendment due) _____
Date Grantor notified of decision to abandon _____
Deadline for Grantor's request for assignment (30 days after receipt of offer to assign) _____
Grantor's decision _____
If requested, date papers executed assigning rights to Grantor _____

Foreign Filing

Date Grantor sent, upon request, copies of foreign patent applications filed _____
Date licenses granted to Government _____
