Re: **AEROSOL WARFARE #2**
Copyright Office Control No. 61-205-3154(H)

Dear Mr. Breen:

The Copyright Office Board of Appeals has completed its review of the registration application, deposit and related correspondence for the three-dimensional sculpture, Aerosol Warfare #2, in which Christopher Karl Salat is author and claimant. The Board has determined that Aerosol Warfare #2 satisfies the minimum creativity standard articulated by the Supreme Court in Feist Publications, Inc. v. Rural Telephone Service Co., 499 U.S. 340 (1991), and that the work should be registered.

The file concerning Aerosol Warfare #2 has been returned to the Examining Division for processing, and the certificate of registration will be issued shortly.

Sincerely,

N Petruzzelli
