United States District Court,
D. New Jersey.

LOTTOTRON, INC,
Plaintiff.
v.
GTECH CORP,
Defendant.

Civil Action No. 05-4562 (FLW)

Nov. 7, 2007.

Marc S. Segal, Ballard Spahr Andrews & Ingersoll, LLP, Michael F. Snyder, Ryan W. O'Donnell, Volpe & Koenig, P.C., Philadelphia, PA, for Plaintiff.

Jennifer C. Critchley, Liza M. Walsh, Hector Daniel Ruiz, Connell Foley, LLP, Roseland, NJ, for Defendant.

ORDER

FREDA L. WOLFSON**, District Judge.**

THIS MATTER having been opened to the Court by Liza M. Walsh, Esq., counsel for Defendant Gtech Corp., and by Joseph F. Posillico, Esq., counsel for Plaintiff Lottotron, Inc., on a motion to construe certain claims of Plaintiff Lottotron's U.S. Patent No. 5,921,865; it appearing that the Court having considered the parties' submissions, without a *Markman* hearing, pursuant to Fed.R.Civ.P. 78; for the reasons set forth in the Opinion filed on even date; and for good cause shown;

IT IS on this 7th day of November, 2007,

ORDERED that the attached Claim Construction Chart shall reflect the Court's construction of the disputed terms.

SO ORDERED.

Disputed Terms	Lottotron's Proposed Constructions	Gtech's Proposed Constructions	Court's Determinations
"Wager"	"Wager" involves a risk of an infinite variety of things apart from money i.e., pride, avoidance of	"Wager" involves a risk of a sum of money.	"Wager" involves a risk of a sum of money.

	embarrassment.		
"Subscriber/prospective wagerer"	Both terms are used interchangeably to mean "one who wishes to enroll or wager with the system."	"A subscriber who accesses the computer system to enter one or more wagers."	"Prospective wagerer" means "a subscriber who accesses the computer system to enter one or more wagers."
"Identification information/identification	"Identification information, such as an identification number."	"Identification information" is information that identifies a prospective wagerer including an account number and a personal identification number.	"Identification information" is information that identifies a prospective wagerer including an account number and a personal identification number.
"Wagering format"	"The kind of lottery games that are available, such as Keno, Lotto, and 3- or 4-digit lotteries."	"A wagering game in which the outcome of the game determines the outcome of the associated wager."	"The kind of lottery games that are available, such as Keno, Lotto, and 3- or 4-digit lotteries."
