"§ 151. Issue of patent

"If it appears that applicant is entitled to a patent under the law, a written notice of allowance of the application shall be given or mailed to the applicant. The notice shall specify a sum, constituting the issue fee or a portion thereof, which shall be paid within three months thereafter.

"Upon payment of this sum the patent shall issue, but if payment is not timely made, the application shall be regarded as abandoned.

"Any remaining balance of the issue fee shall be paid

within three months after the date of the issue of the patent; if not paid, the patent shall lapse at the termination of this three-month period.

"If any payment required by this section is not timely made, but is submitted with the fee for delayed payment within three months after the due date and sufficient cause is shown for the late payment, it may be accepted by the Commissioner as though no abandonment or lapse had ever occurred."

SEC. 5. Section 154 of title 35, United States Code, is amended by inserting the words "subject to the payment of issue and maintenance fees as provided for in this title," after the words "seventeen years,".

SEC. 6. Title 35, United States Code, is amended by adding the following new section after section 154:

"§ 155. Maintenance fees

"(a) During the term of a patent, other than for a design, the following fees shall be due:

"(1) a first maintenance fee on or before the fifth anniversary of the issue date of the patent;

"(2) a second maintenance fee on or before the ninth anniversary of the issue date of the patent; and

"(3) a third maintenance fee on or before the thirteenth anniversary of the issue date of the patent.

In the case of a reissue patent the times specified herein shall run from the date of the original patent.

"(b) A grace period of six months will be allowed in which to pay any maintenance fee, provided it is accompanied by the fee prescribed for delayed payment.

"(c) The first and second maintenance fees may be deferred in accordance with subsection (f) of this section.

"(d) A patent will terminate on the due date for any maintenance fee unless, as provided for in this section, the fee due (including any fees previously deferred) is paid or a statement in accordance with subsection (f) of this section requesting deferment is filed. Such termination or lapsing shall be without prejudice to rights existing under any other patent.

"(e) Notice of the requirement for the payment of the maintenance fees and the filing of statements in compliance with this section shall be attached to or be embodied in the patent. Approximately thirty days before a maintenance fee is due, the Commissioner shall send a separate notice thereof to the patentee and all other parties having an interest of record at the addresses last furnished to the Patent Office. Irrespective of any other provision of this section, a maintenance fee may be paid within thirty days after the date of such separate notice.

"(f) Any inventor to whom a patent issued (or his heirs) and who owns the patent may within six months of the fifth anniversary of the issue date of the patent (by a statement under oath) request deferment of the first maintenance fee if the total benefit received by the inventor or any other party having or having had any interest in the subject matter of the patent, from, under, or by virtue of the patent or from the manufacture, use, or sale of the invention, was less in value than the amount of the fee, and the statement so specifies. The fee shall thereupon be deferred until the time the second maintenance fee is due and shall be paid in addition to the second maintenance fee.

"Any inventor to whom a patent issued (or his heirs) and who owns the patent may within six months of the ninth anniversary of the issue date of the patent (by a statement under oath) request deferment of the second maintenance fee (and further deferment of the first maintenance fee if such fee has been deferred) if the total benefit received by the inventor or any other party having or having had any interest in the subject matter of the patent during the preceding four years, from, under, or by virtue of the patent or from the manufacture, use, or sale of the invention, was less in value than the amount of the second fee, and the statement so specifies. The second fee, or the first and

second fees, as the case may be, shall thereupon be deferred until the time the third maintenance fee is due and shall be paid in addition to the third maintenance fee and with the same result if not paid. No deferment of any of the fees beyond the thirteenth anniversary of the issue date of the patent shall be permitted and the patent will terminate at the end of the thirteenth anniversary of the issue date unless all maintenance fees are paid in accordance with the provisions of this section."

SEC. 7. The analysis of chapter 14 of title 35, United States Code, immediately preceding section 151, is amended to read as follows:

(c) Item 2 of section 41 (a), as amended by section 1 of this Act, and sections 4, 6, and 8 of this Act do not apply in cases in which the notice of allowance of the application was sent, or in which a patent issued, prior to the effective date; and, in such cases, the fee due is the fee specified in this title prior to the effective date of this Act.

(d) Item 3 of section 31 of the Trademark Act, as amended by section 3 of this Act, applies only in the case of registrations issued and registrations published under the provisions of section 12 (c) of the Trademark Act on or after the effective date of this Act.
